In fact, she first used it to produce more success at work and more harmony and peace in her relationships. In the workshop, she shares the miracles she experienced in her everyday life using the Ho'oponopono tools for problem solving when she was an accountant, event coordinator, mother, and negotiator. She describes how she let go of her profitable and stable career to become an internationally acclaimed speaker.

As an advocate for World Peace, Mabel has spoken at the United Nations in Vienna and Senates and Universities in Latin American countries, spreading her world peace campaign "Peace within IS world peace." She has been granted permission from the Foundation of I, Inc. (Freedom of the Cosmos) and IZI LLC to use their copyrighted material in her Ho'oponopono workshops. Many participants have said she has changed their lives forever.

Some Background on Ho'oponopono and Mabel's Work

Naturally, people have questions about Ho'oponopono and Mabel's own experience. Here are answers to some of the most often asked questions. Many others are addressed in Mabel's books and seminars.

What is Ho'oponopono?

Ho'oponopono is a very ancient Hawaiian art of problem solving. Original Hawaiians, the first people to live in Hawaii, used to practice it. Dr. Ihaleakalá Hew Len, Mabel's Ho'oponopono teacher, says these Hawaiians had come from other galaxies. Mornah Simeona (Ihaleakalá's teacher) brought forward these teachings and updated them for modern times.

What does Ho'oponopono mean?

Ho'oponopono is a Hawaiian word that means "How to correct an error".

Who was Mornah Simeona?

Mornah Nalamaku Simeona (May 19, 1913 – February 11, 1992) is the creator of Self-I-Dentity through Ho'oponopono. She founded Pacifica Seminars in the 1970s. She was recognized as a Kahuna Lapa'au (healer) in Hawaii and honored by the State of Hawaii as a Living Treasure in 1983.

She has said, "The main purpose of this process is to discover the Divinity within oneself. Ho'oponopono is a profound gift that allows one to develop a working relationship with the Divinity within and learn to ask that in each moment our errors in thought, word, deed or action be cleansed. The process is essentially about freedom and gaining complete freedom from the past."

Originally, Ho'oponopono was practiced with the whole family present and working together. A moderator guided the process, and each family member had the opportunity to ask forgiveness from the others. However, as families dispersed and people moved far apart, a new approach became necessary. That is what Mornah accomplished. She left her updated version of this ancient Hawaiian philosophy of problem solving to mankind as a gift to be shared and practiced.

Self I-Dentity through Ho'oponopono uses techniques to create a working partnership among the three parts of the mind or self: subconscious, conscious, and super conscious. This allows us to reclaim our personal inner connection with love -- our Divine Source -- resulting in peace, harmony, and freedom.

Perhaps Mornah's most often quoted statement is, "Clean, erase, erase and find your own PEACE. Where? Within yourself."

Which is Mabel's relationship with Dr. Ihaleakalá Hew Len?

Dr. Ihaleakalá is Mabel's Ho'oponopono teacher. He worked, traveled, and presented with Mornah Nalamaku Simeona for years. He also updated the Self I-Dentity through Ho'oponopono to make it even easier and more applicable to modern times. The new process became individualized so that it may be practiced alone. However, it still works very effectively. What is erased from us individually is also erased from our families, relatives, and ancestors. Ninety per cent (90%) of our problems come from our ancestors!

Ihaleakalá once said to Mabel: "If I had told you ten years ago that there was nobody 'out there,' you would have run away as fast as you could. Now we are ready to entertain the idea that everything is just our thoughts (memories) of our family. There is really nobody 'out there;' everything is inside of us and our memories. "

Mabel recalls one afternoon when Ihaleakalá returned from walking with tears in his eyes. He said to her, "I have just realized that all God is asking from us is to take good care of ourselves and to say 'I'm sorry' as if we were little children. That is it."

How did Mabel start teaching Ho'oponopono?

Mabel took her first seminar with Ihaleakalá in July 1997 in Omaha, Nebraska. That was when she realized she had found *The Easiest Way* she had been looking for. After the seminar, she invited Ihaleakalá to come to Los Angeles and she began studying with him in earnest.

Throughout the twelve years Mabel lived with Ihaleakalá, she traveled with him to Amsterdam, Brussels, France, England, Argentina, and many places in the United States. He shared with her all the cleaning tools that would come to him during consultations, training meditations, and the long walks he loved to take.

Between 2000 and 2001, Mabel began to feel she could teach Ho'oponopono. She made her request to the Foundation of I, Inc. (Freedom of the Cosmos), and their response was to meditate on it – because

the secrets of Ho'oponopono are not rational but are "acquired" by those who live with them. They meditated and ultimately gave her their blessing.

Mabel taught Self I-Dentity through Ho'oponopono (SITH) on behalf of the Foundation for several years until 2004; when she requested and received permission to create her own Ho'oponopono seminars using their materials.

In November 2008, after many years of having a dual career, Mabel decided to leave her very stable life as a tax accountant in Los Angeles. It was not a decision made because she had amassed savings or was debt free -- on the contrary. However, she had realized that as always, every time she did illogical things or made seemingly non-sensical decisions but trusted, she got the most amazing results.

Today, Mabel is debt-free, and she travels the world teaching Ho'oponopono in a very practical and down-to-earth way. She says, **"The SECRET of Ho'oponopono is applied to the change of paradigms we live in this moment. "**
