The Easiest Way to Abundance, Peace and Happiness

Applying Ho‘oponopono to silence the voice of “you can’t” and to get you back to the great life you deserve.

Why haven’t we achieved the things we thought we would when we were children? The blocks that have stood on our way, whether spiritual, mental, physical, financial, or material, are simply based on memories replaying in the subconscious mind. The beauty and simplicity of The Easiest Way to Abundance, Peace and Happiness through Ho‘oponopono is its ability to erase memories and replace them with a new openness to inspiration for perfect living. This workshop was created by acclaimed speaker and seminar leader, Mabel Katz, who is a living example of its power and effectiveness.

How some types of memories hold us back

Memories are very powerful. Certain types of memories replay over and over in our lives, causing us to repeat the same behavior and produce the same results. However, you can learn techniques to take control by clearing these powerful memories and allowing inspiration to become your guide.

Expand into who you really are

In order to manifest, you must expand and get out of your comfort zone. You must make room so you can attract more money, success, wealth, security and wonderful relationships in your life. In this seminar you will have the opportunity to expand and actually experience who you really are. You will learn how to work with the universal law of least effort so you can attract what is right and perfect for you with ease.

Are you ready to experience life as you imagined it?

If what you are looking for is more personal joy, business satisfaction, success, money, peace of mind, and peaceful relationships, then join this interactive workshop, where Mabel shows you how to make all of this, and much more, part of your everyday reality with Ho’oponopono.
Hi Mabel,

I am Elena, from Romania and I want to tell you some of changes that occurred in my life in the last 6 months. I heard about Ho'oponopono last year and I read Zero Limits by Joe Vitale in October 2010.

I was on a course with you in October 2010, March 2011 and last weekend June 2011.

Ho'oponopono changed my life, changed me.

1. Beginning for me, it was not easy to say moment by moment Thank you or I love you, but now it is easy.

2. Until February 2011, I woke up at 5.30 am, every morning, I arrived at the office at 7.30 am and I came home after 11.00 pm. Now I wake up when I can and I am not staying in the office after 6:00 pm (and I solve all tasks).

3. 90% of my colleagues always avoided me because I was in conflict with them (I work for a big company, 3500 employees). In the last six months I had only three conflicts (minor) and my colleagues are very nice with me. I detached from all the problems that are here and this is a state that still I am not comfortable (and I still clean).

4. Many people asked me: What do you do?, What do you take? (drugs?!), What do you eat? Because now, all the time, I smile or make jokes. (I didn’t do this until 6 months ago)

5. Until February 2011, I was living with my brother who is HIV positive. I was afraid to let him live alone. On February 7, 2011 I moved into a new apartment and I still clean with my fears.

6. Inside of me is peace and I can sleep!

I am sorry for my English, I still learn. Thank you for all and especially for appearing in my life.

~Elena, Romania
