The Easiest Way to Grow

*A first time self-healing workshop for children designed by Mabel Katz,
based on her work with Ho'oponopono*

We know from Ho'oponopono that our experiences and memories cloud our awareness of who we truly are and how we can create the life we want. With every passing day, we acquire worries, fears, and insecurities that create limiting beliefs based on judgments and opinions. Ultimately, we become detached from who we really are as we begin to lose our connection with nature and God's universe (the true source).

Imagine how powerful the experience of Ho'oponopono can be for children who have been less "tainted" by the distractions of life.

Would you give a child you love the best chance at a happy, productive and fulfilling life?

In this unique workshop, created by internationally-acclaimed speaker, author, and seminar leader, Mabel Katz, children discover the truths that show them how to hold onto their true essence and remain "pure at heart."

Mabel asks children an important question: *Are you who you are because of what others taught you?* Then she introduces them to activities and games that demonstrate:

- You don't have to be who you are according to what others think
- It is okay to be different. In fact, it's great!
- It's easy to be happy: Be yourself and love yourself
- If you say you can, you can, if you say you cannot, you cannot
- You never have to lose the joy and peace that are your birthright

Each child is unique with natural talents, gifts, and perfect rhythm

The workshop is crafted to restore and preserve these innate qualities. Children seamlessly integrate practical skills for:

- Appreciating who they really are

The Easiest Way

Solve your problems and take the road to love, happiness, wealth and the life of your dreams.

- Letting go of the programs that allowed others to determine who they are
- Finding their courage and following their passion
- Releasing what is not them
- Creating with their thoughts
- Believing in themselves
- Trusting in their hearts, their intuition, their inspiration

What would life be like for a child who naturally transforms challenges into opportunities?

A key part of the workshop is showing children how to:

- Take 100% responsibility
- Know that problems are one step-away from freedom
- Make problems and “bad energy” disappear simply by saying “Thank You”

Imagine knowing how to stay in-touch with the true Source -- the godness of God’s universe

Ho’oponopono is not a religion, and it has no religious teachings or agenda. Yet, it shows that recognizing the Source is essential to a fulfilling life. In this workshop, children learn to discover their own Source and have their own experience of the “God” of their hearts.

They learn to:

- Know that God is always shining His light upon you
- Always put Him first
- See others as He sees them
- Live everyday with gratitude
- Let go and let God bring you what is right and perfect
- Walk in faith

Testimonials

This is the best book I have purchased for my kids, without sounding fanatic. I recommend it from my heart, because I think this is one of the greatest inspirations Mabel got. Since I bought it, I play the CD for them every night with the volume low when they go to bed. One night I forgot and my 8-year old son asked me to put "the voice of that woman that talks like you, as I sleep much better and have no nightmares". Besides sleeping better, my kids have changed incredibly, they are radiant, independent, have progressed in different areas of their personal development and in school, etc. Definitely this book and the audio CD have done an invaluable cleaning. Many, many thanks to all and everyone that had made it possible to reach our hands today. It's like a hand of help directly from Divinity to parents, children and any adult. In fact, we the adults need the messages on this book more than the children as they are wiser. Thank you!!

From the moment my daughter Angelica could speak, my wife and I taught her the Ho'oponopono Mantra "Please forgive me, I'm sorry, thank you, I love you."

Mabel's book "The Easiest Way To Grow-Messages You Will Be Glad to Know", was the most wonderful next step in learning about Spirit, and explaining living a life using Ho'oponopono. The accompanying CD simplifies this wonderful message in a way that only Mabel Katz can do. I recommend it for all children. It has given my daughter a connection to the Divine, and the ability to learn through LOVE.

Peace, love, and music,
