

## Mabel Katz Presents Zero Frequency® - Return to Innocence

*A workshop for reclaiming intuition, inspiration, and the magic that's in you*

**Once upon a time** we lived in a world of limitless possibilities. We knew that we could accomplish wonderful things – and we did. When we were children our thoughts were more pure and we were closer to our *Zero Frequency*®. As life continued, we began to be affected by others' opinions and negative experiences, which we stored in our memories.

Remember when you were, a child, and you had no worries and believed that all things were possible? Who you were had not yet been tainted by life and your memories. The bases for your decisions, opinions and judgments, were free and in the flow. Not many memories to muddy them. Your connection to the universe was pure and direct. You were FREE to be YOU!

After a while, we silenced the voices of our intuition and inspiration so we could hear the “voice of reason.” We let go of our dreams. In short, we shifted our focus from our heart to our head. Our minds became filled with concerns, fears, and doubts – and we barely noticed as some of the color went out of our lives.

We tell you this story because, while it's true, this doesn't have to be this way. We think stories should have happy endings, and this one certainly can.

Mabel Katz, internationally acclaimed speaker and seminar leader, has developed a workshop that gives you the power to move back into the awareness of infinite possibilities. It is a workshop designed to take you to what Mabel calls Zero Frequency®.

**When you change yourself, you will change your world!**

With Mabel's techniques you will find reaching your Zero Frequency® is easy. Her secret will unlock the door to finding your identity. Discovering who you really are is the key. Then you

can allow your passion and inspiration to be your compass. The tools Mabel discovered help you to live more in the present, be more conscious and aware, so that you will be able to ask the right questions and will get the right answers.

Zero Frequency® is a state of awareness in which peace is present and intuition and inspiration are readily available. It is a state free of the negative programming that runs unconsciously and continuously. It's a place where the subtle voice that keeps telling us "You can't do that, it's dangerous, don't try" is silenced. Without negative self-talk, your natural abilities and talents can come to the fore, and solutions to problems in work and in life appear as if by magic. It's not magic, of course; by entering into Zero Frequency® you remove filters and blinders you accepted and start seeing more clearly.

No matter how many degrees you may have, or how smart you are, you will never reach that place of pure awareness with your intellect. Zero Frequency® is an experience that can be neither described nor explained in terms of logic. Zero Frequency® does speak to the intellect, but it is really for the heart, teaching you how to free your soul and return

to the world of magic and the pure source of all joy.

### **Creating the life you used to see for yourself...**

When we stay tuned to the natural frequency of our hearts we appreciate who we really are. We re-connect with what some call the "inner child" and find our talents, natural gifts, and perfect rhythm. We become willing to act from our courage and follow our passions – spontaneously, free of limiting thoughts or fear of the future, with innocence and fresh perspective. We let go of what is not us, trust our hearts, walk in faith and live everyday in gratitude ... **and we accomplish wonderful things.**

From this reawakened clarity you will experience the real power of your mind. You will see how when you say you can, you can, when you say you cannot, you cannot. And you will discover the way you create with your thoughts, and choose your destiny.

### **It is really fun! Are you ready to play?**

This is an experiential workshop filled with fascinating activities that will remind you of your

innate childlike qualities, take you back to connecting with the wise child you are, energize you and refresh your love of living. Take the first step on this path to rediscovering and being YOU again.

## What Is Zero Frequency® ?

The work Mabel Katz does is based on the unique concept of Zero Frequency®. It involves accessing a state of awareness where confusion and limiting beliefs and behaviors simply are not present. It is a natural state, and is; in fact the state we are in as young children, before we acquire “knowledge” that tells us what we can’t do.

Reaching Zero Frequency®, we are able to see situations much more clearly and make effective choices that become immediately apparent once the static of the mind stops. We experience intuition and inspiration and become much more creative at solving previously insurmountable challenges, at work and in personal life.

As Mabel puts it, *“When we are at Zero, we are our authentic selves, able to access our true talents and natural gifts, happy and at peace. We are in the flow, whatever is right and perfect for us coming to us easily and effortlessly.”*

With practice, Zero Frequency® can be reached quickly and easily, and regardless of situations around us. It is accessible in the face of apparent crises at work, upset co-workers or superiors, or difficulties with family or friends. With heightened clarity, excellent solutions are more easily perceived and achieved, worker relationships improve, and tasks are accomplished more quickly with greater efficiency. Confidence increases based on this enhanced clarity and improvement in work performance.

Like children, great artists and athletes frequently experience the state of Zero Frequency®. They call it “being in the zone;” that place of peak performance where the mind is still and time seems to stop. They train themselves to access this state, striving to reach and stay in that awareness. When we can learn to let go and get back to the state of pure awareness, like those athletes, we find we become more aware, conscious, and in balance, in tune with the limitless possibilities that come from the newly accessible source of all inspiration, instead of our old memories and programs.

Science tells us that we are only conscious and aware of a mere sixteen bits of information

per second, while our minds are producing *eleven million*. These thoughts and data are playing in our minds constantly, however we are unaware of them because they exist in our subconscious.

Zero Frequency® works on the eleven million thoughts buzzing around in the deepest part of our minds that cause the static and uncertainty.

Zero Frequency® is about listening to our inner voice as it solves problems through inspiration instead of our programming; those memories that created our problems in the first place. The heart of the process is problem solving through gratitude and forgiveness. When we respond with gratitude to those things that have caused difficulty in our lives, asking with pure intent to clean and erase those programs, we reach the state of Zero Frequency®. At that point, for reasons that science is still trying to understand, the challenging problems seem to self solve and go away.

Mabel Katz has assisted tens of thousands worldwide in reaching Zero Frequency® and applying it at work and in their personal lives. She is available for keynotes, talks and Zero Frequency® workshops geared to the needs of your organization. The enclosed materials describe these in detail.
