Internationally-acclaimed author and UN recognized world peace ambassador Dame Mabel Katz delivered the key-note address on Wednesday.

"Peace is a state of mind that comes from within. The concept of the world as one family, initiated in India is key for a peaceful coexistence," Katz said.

On Wednesday, a panel discussion on 'peace education for good governance and non-violence' was held. The three-day conference saw over 20 foreign delegates working for world peace visit the city.
