

First time ever. Author, speaker, seminar leader Mabel Katz to present in Japan

The internationally acclaimed authority on Ho'oponopono (The Easiest Way) and global Peace Ambassador, will take her transformational work to Japan in September 2016.

Los Angeles, CA. Audiences literally across the globe have filled auditoriums and lecture halls, just to hear what Mabel Katz has to say. Her keynotes, talks, and seminars for corporations, businesses, and individuals – including seminars for children – demonstrate in real, practical terms how to apply the life-changing practices of Ho'oponopono, an ancient Hawaiian art/practice for achieving greater clarity of purpose and living at work and in personal life.

Katz has enjoyed significant business success and media celebrity in United States. However, she chose to move from those endeavors to follow her heart's desire: devoting her prodigious talents and powerful drive to assisting people worldwide with what she has learned and continues to learn from Ho'oponopono. For more than a decade, she lived, studied and travel with Ho'oponopono Master Teacher, Dr. Ihaleakalá Hew Len, and she was exposed 24 hours a day to the Secret beyond the Secrets of this ancient Hawaiian art of conflict resolution that provides the tools needed to create lasting results, touching people's hearts and souls.

She is also rapidly gaining acclaim for her work in support of world peace. Honored with the prestigious 2012 Mil Milenios de Paz Peace Flag, acknowledging her world-peace initiative, *Peace begins with ME*; she was officially recognized as one of the world's pre-eminent Peace Ambassadors. On January 1st, 2015 she received the renowned "Public Peace Prize", as peace weaver. She has spoken in front of national senates and other influential government bodies and launched her world peace campaign "*Peace within is world peace*" at the United Nations in Vienna. She has addressed multi-cultural audiences, including those of diverse ethnicities in the Middle East. In 2013 she was recognized for her humanitarian works by being knighted in the venerable Order of the Orthodox Knights Hospitaller of St. John – Russian Grand Priory, bestowing upon her the title of Dame Mabel Katz.

Mabel Katz is the author of *The Easiest Way*, *The Easiest Way to Understand Ho'oponopono*, *The easiest Way to Live*, *The Easiest Way to Grow*, a book for children, and *My Reflections on Ho'oponopono*, all of which have been translated in more than fifteen languages.
